Powder Coat Finishes

Optional colors are now available in our baked-on Powder Coated Finish. Simply add "SPO" paint code to your purchase order to customize and coordinate your new equipment. Note: product must currently be available in powder coat for upgrade. Look for the PC symbol next to the product for option compatibility. Please contact factory for lead time and pricing for this value added feature.

Touch-Up Paints for Water Base Enamel Finishes

Specialty Liquid Coatings

Steel-It Polyurethane Coating option provides a cost-effective alternative when equipment has to have incidental food contact rating. Coating can be used in some mild wash-down applications.
