## ***Certificate of Compliance and Capacity Verification***

*Vestil certifies that this 24V/20AH LITHIUM ION BATTERY PACK model number EPT-2145-33-BATT, complies with all applicable U.S. Federal OSHA regulations and U.S. national standards which are incorporated into U.S. national laws and/or regulations.*

*Capacity verification: A test weight in the range of 100% to 125% of the maximum rated load was applied to a randomly selected sample unit. Afterwards, the sample unit was visually inspected. Inspection confirmed the soundness of all welds, i.e. no permanent deformations or other forms of damage.*

*The end user bears the responsibility to ensure safe, normal operability by testing and inspecting the unit periodically and in accordance with instructions provided with the unit.*

*Date of Issuance: 12/28/2020*
